Staging Site Permit

Location:
License Plate(s):
Expires:

This permit entitles the holder to park within the designated "staging site" as identified by the Project Manager. This permit is not valid in any other areas or parking spaces outside of the staging area.

Those Vehicles which may be required to park outside of the designated staging site are required to display valid "A / Construction" permits.

Chuck Dittrick, Project Manager
831.489.5523 (cell 212.0250)

TO PURCHASE:

- Vendors can purchase these permits directly from the TAPS Sales Office or Kiosk. Project Managers will need to authorize their purchase by emailing the TAPS Sales Office (tapssales@ucsc.edu)
- Purchase these permits via recharge by using the online Google form; the link is available at taps.ucsc.edu/parking/contractor-parking.html

Issued by PP&C or Physical Plant
to park in their fenced staging areas.
