# How to Post a Commute

- Include additional information in the Notes section such as non-smoking vehicle, willing to alternate driving days or list a pick up locations. The more detail the better.

1. Where To? 2. What Time? 3. What Else?

How much do you want each passenger to contribute?

\$ 4 per day

Suggested price of \$4.00 based on the Zimride average for this trip

Number of available seats

2 PRO TIP: Limit to 3 seats, if possible, and keep the back middle seat open (your passengers will appreciate it).

Notes

I have some wiggle room as to what time I leave in the morning and return in the afternoon.
