PARKING REGULATIONS

Regulations are enforced 24 hours a day, seven days a week, including finals week, quarter breaks, and summer.

Each parking lot entrance sign lists permits allowed and valid hours. Advance permission from University Police is necessary to load or unload a vehicle outside of a marked space. Call University Police at (831) 459-2231 to request. Parking is prohibited outside of marked spaces.

In general, permits are not required on the residential campus during University holidays (see <http://taps.ucsc.edu/parking/park-for-free.html>) with the following exceptions:

- in lots where permits are required at all times
- in posted reserved parking spaces
- when parking attendants are present during a special event

* Lot 122 Authorized Vehicles include: University / Emergency Vehicles; large vehicles (e.g., RVs, limos, and buses) in the course of attending legitimate short-term university-related events or business; and vehicles displaying valid TAPS-issued A Construction or Limited Construction Permits. All others, contact TAPS Monday-Friday 7:00am-5:00pm at tapssales@ucsc.edu or (831) 459-4543.

VISITOR PARKING

Visitors to UCSC may purchase a daily permit at the Main Entrance Kiosk (M-7) or the TAPS Sales Office (L-7). They may also utilize mobile pay in designated hourly/daily parking spaces.

PARKING IS NOT GUARANTEED

Purchase of a permit does not guarantee a parking space in a specific parking lot. Inability to find a legal parking space is not justification to park illegally. Notes left on vehicles do not constitute permission to violate parking regulations.

ENFORCEMENT

Parking citations are issued by the UCSC Police Department. Find more information, pay, or contest citations at <http://police.ucsc.edu/services/parking>. For lockout and jump-start assistance call (831) 459-2231.

HOW TO DISPLAY YOUR PARKING PERMIT

Your permit can be displayed with the front facing out on the rearview mirror, face up on the driver's side of dashboard, or face out in a windshield sleeve. All parts of your permit must be visible to Parking Enforcement from outside the vehicle; permits displayed with information covered or blocked on the dashboard or by window tinting may be subject to citation.

**DISABILITY-RELATED PARKING

UC Santa Cruz has two types of parking spaces for those who have disability-related parking needs: standard and van-accessible disabled (or DMV) parking spaces; and Medical spaces intended for those who need close-in parking due to a medical condition, but who do not require the extra space provided by DMV parking spaces. UCSC affiliates must display a valid UCSC parking permit with a DMV placard or Medical permit. A permit is not required for visitors with a valid DMV-issued placard.
