PARKING REGULATIONS

- Regulations are enforced 24 hours a day, seven days a week, including finals week, quarter breaks, and summer.
- Each parking lot entrance sign lists the types of parking permits required.

Advance permission from University Police is required for those who need close-in parking due to a medical condition, but who don’t require the extra space provided by DMV parking spaces.

If you have a UCSC Medical permit, you can park in Medical, A, and DMV spaces. Employees and students must also display a valid UCSC parking permit with their DMV placards.

PARKING IS NOT GUARANTEED

Purchase of a permit does not guarantee a parking space in a specific location. It is not a legal parking space if not purchased in a legal permit.

Notes on vehicles do not constitute permission to violate parking regulations.

ENFORCEMENT

The Parking Enforcement division of the University Police issues parking citations. Pay or appeal a parking citation online at www.paymycite.com. The Police Department is located on the lower campus (Building 1 on the map). Business hours are 8am–5pm and 12:30–3:30pm, Monday through Thursday, excluding holidays.

For lockout and jump-start assistance call (831) 459-2253.

HOW TO DISPLAY YOUR PARKING PERMIT

Your permit can be displayed with the front facing out on the rearmirror. Face up on the driver’s side of dashboard, or face out in a windshield sleeve. All parts of your permit should be visible to Parking Enforcement.

From outside the vehicle: permits displayed with information covered or blocked on the dashboard or by window tinting may be subject to citation.

DISABILITY-RELATED PARKING

UC Santa Cruz has two types of parking spaces for those who have disability-related needs: standard and van-accessible disabled (or DMV) parking spaces, and Medical spaces.

Medical spaces are standard-sized parking spaces for those who need extra space due to a medical condition. UCSC does not require the extra space provided by DMV parking spaces.

If you have a DMV placard, you may park in Medical, A, and DMV spaces. Employees and students must also display a valid UCSC parking permit with their DMV placards.
