In general, permits are not required on the main campus. To request a permit, call (831) 459-2231.

There are three types of campus parking permits:

- Those that accept hourly payments on weekdays and on weekends for a flat rate.
- Those that require a monthly payment only.
- Those that require both.

PARKING REGULATIONS

• Regulations are enforced 24 hours a day, seven days a week, including final week, quarter breaks, and summer.

• Each parking lot entrance sign lists the types of permits allowed there, as well as the hours when those permits are required.

• Advance permission from University Police is necessary to load or unload a vehicle outside of a marked space. Call University Police at (831) 459-2231 to request.

• Parking is prohibited outside of marked spaces.

• Parking at non-functioning meters is not allowed. Parking in a space with a non-functioning paystation is only for the maximum time posted on each machine.

• In general, permits are not required on the main campus during University holidays (see http://taps.ucsc.edu/parking/park-free.html) with the following exceptions:
  - When permits are required at all times.
  - When posted reserved parking spaces.
  - When parking attendants are present during a special event.

PARKING IS NOT GUARANTEED

Purchase of a permit does not guarantee a parking space in a specific parking lot. Inability to find a parking space is not justification to park illegally. Notes left on vehicles do not constitute permission to violate parking regulations.

ENFORCEMENT

The Parking Enforcement division of the University Police Department issues parking citations. Pay or appeal a parking citation online at www.paysmycite.com. The Police Department is located on the lower campus (L-8 on the map). Business hours are 8am-11:30am and 12:30-3:30pm, Monday through Thursday, excluding holidays. For lockout and jump-start assistance call (831) 459-2231.

HOW TO DISPLAY YOUR PARKING PERMIT

Your permit can be displayed with the front facing out on the rearview mirror, face up on the driver's side of dashboard, or face out in a windshield sleeve. All parts of your permit should be visible to Parking Enforcement from outside the vehicle; permits displayed with information covered or blocked on the dashboard or by window tinting may be subject to citation.

KEY

A — close-in faculty, staff and visitor parking
B — close-in graduate student parking
C — close-in parking for undergraduates (lot-specific)
EV — electric vehicles
MC — motorcycles
NC — non-commuting student夜间 parking valid
O — permits, vanpool, and carpool
P — parking by permit
R — student, and visitor night permit
RMC — reserved
RMC — reserved — faculty, staff, graduate
S — student, and visitor night permit
T — those that accept hourly payments on weekdays and on weekends for a flat rate
W — those that require a monthly payment only
X — those that require both

DISABILITY-RELATED PARKING

UC Santa Cruz has two types of parking spaces for those who have disabilities requiring accommodations: standard and van-accessible disabled (or DMV) parking spaces, and Medical spaces.

Medical spaces are standard-sized parking spaces intended for those who need close-in parking due to disability. Many are designated with a medical permit, but some are open to all students with disabilities. Medical spaces are for those who have disability-related parking needs: standard and van-accessible disabled (or DMV) parking spaces, and Medical spaces.

If you have a DMV placard or plates, you may park in Medical, A, R and DMV spaces. Employees and students with DMV parking spaces.

If you have a UCSC Medical permit, you can park in any zone with a "MC" permit, and vanpool and carpool spaces.

If you have a UCSC Medical permit, you can park in any zone with a "MC" permit, and vanpool and carpool spaces.
