PARKING REGULATIONS

- Regulations are enforced 24 hours a day, seven days a week, including finals week, quarter breaks, and summer.
- Each parking lot entry sign lists the types of permits allowed there, as well as the hours when those permits are required.
- Advance permission from University Police is necessary to load or unload a vehicle outside of a marked space.
- Parking is prohibited outside of marked spaces.
- Parking at non-functioning meters is not allowed. Parking is allowed at non-functioning paystations only for the maximum time posted on each machine.
- In general, permits are not required on the main campus during University holidays (see http://taps.ucsc.edu/parking/parking-for-free.html) with the following exceptions:
  - in lots where permits are required at all times
  - in posted reserved parking spaces
  - when parking attendants are present during a special event

PARKING IS NOT GUARANTEED

Purchase of a permit does not guarantee a parking space in a specific parking lot. Inability to find a legal parking space is not justification to park illegally. Notes left on vehicles do not constitute permission to violate parking regulations.

ENFORCEMENT

The Parking Enforcement Division of the University Police Department issues parking citations. Pay or appeal a parking citation online at www.parkmyc.com. The Police Department is located on the lower campus (L-8 on the map). Business hours are 8am-11:30am and 12:30-3:30pm, Monday through Thursday, excluding holidays. For lockout and jump-start assistance call (831) 459-2231.

HOW TO DISPLAY YOUR PARKING PERMIT

Your permit can be displayed with the front facing (on the rearview mirror), face up on the driver’s side of dashboard, or face out in a windshield sleeve. All parts of your permit should be visible to Parking Enforcement from outside the vehicle; permits displayed with information covered or blocked on the dashboard or by window tinting may be subject to citation.

DISABILITY-RELATED PARKING

UC Santa Cruz has two types of parking spaces for those who have disability-related parking needs: standard and van-accessible disabled (or DMV) parking spaces, and Medical spaces.

Medical spaces are standard-sized parking spaces intended for those who need close-in parking due to a medical condition, but who don’t require the extra space provided by DMV parking.

If you have a DMV placard or plates, you may park in Medical, A and DMV spaces. Employees and students who have a DMV placard or plates with their DMV placard or plates.

If you have a UCSC Medical permit, you may park in Medical, A, and DMV spaces. A UCSC Medical permit does not provide unlimited access to DMV parking spaces. The UCSC Medical permit is intended for use in Medical and A spaces only. UCSC Medical permit law prohibits anyone without a DMV placard from parking in DMV parking spaces.
