During the four days of UCSC Move In (Thursday, 9/20 through Sunday, 9/23) R permits will only be valid in East Remote Overflow Lots 4 and 5, as shown on this map. Campus shuttles and Santa Cruz Metro buses will be operating to provide transportation on those days to and from the East Remote lot.

The East Remote and West Remote parking lots will be reserved during that time for the Move In process. They will be returned to regular use again on Monday, September 24.
